Dear Members,

Congratulations to Dr. John Miller as his name was drawn to win the trip to the 2025 Master's Golf Tournament! They were one of 79 members who sponsored a new member since last September 2023. Also, congratulations the eight members who won a \$500 usage credit, which were Matthew and Beth Buss, Thomas and Lyndsey Check, Hunter Dobbratz and Virginia Dalbeck, Zach and Erin Gillean, Dr. Brent and Debi Hicks, Austin and Jacqueline Jordan, Paul and Brenda Taylor, and Charles and Kim Wheeler. Thank you to all members who sponsored a new member over the past year.

Our new Pickleball Court complex that will include 3 additional covered Pickleball Courts along with restrooms began on August 20th. We expect this project to take approximately 3-4 months to complete depending on mother nature. These new courts will continue to provide our membership with additional amenities to play recreational or competitive Pickleball, which is one of the fastest growing sports in the US.

Our team is excited to begin our golf course renovation project on October 1. We had a very productive preconstruction meeting with our contractors, architect and management team last month in preparation for this project. After having the opportunity to meet with everyone, I can assure you that we're fortunate to work with LaBar construction and irrigation companies as they are true professionals, and they are very excited about our project as well. We will be providing a monthly video that will include updates on our progress over the last 30 days along with what's planned for the next month. Check out our first video in the Golf Course Maintenance section on page 11 where there's a video link. And don't forget to sign up for our "Pre-construction Party" on hole #18 green on Saturday, Oct. 5. This event will be a fun blowout party with food trucks, bars, covered tents along with Primetime Band playing from the Horizon Lounge patio to kick off our golf course renovation project. Contact the Receptionist to sign up for this party.

Your continued support of the Club by hosting a private event is much appreciated. We are here to help you plan your party, whether it is a board meeting, a birthday celebration, client appreciation party or a holiday party. Please keep us in mind for any special events you may be planning this Fall. The holiday season is quickly approaching so don't miss out by hosting your company party at Mira Vista. Please contact MaryEllen Ford at mford@miravistacountryclub.com.

"Making each and every experience for our members, their families and their guests a fun and memorable event" is our Mission for all of our Employee Partners each and every day. As always, we want and need your continuous feedback and support. Let us know how we are doing!

Thank you for your support as members of our club! We look forward to serving you, your family, and your guests.

I look forward to seeing you in the Club!

EMPLOYEE SPOTLIGHT AT MIRA VISTA

We're thrilled to spotlight Alix Gleitz, our Golf Merchandiser who's been with us for 1 year and a half! Alix is a Fort Worth native and attended Oklahoma State University. He is engaged to his fiancé, Lauren, and enjoys golf, being outdoors, and history. Interesting fact: Alix spent 9 years working in college baseball for OSU, TCU, and Wake Forest. Alix cherishes the connections he's built with members and staff and enjoys making a positive impact.

Thank you, Alix, for your exceptional work and dedication. We're lucky to have you on our team!

Food for Thought

SHRIMP BISQUE

*RICH AND VELVETY, PERFECT SOUP FOR
THE UPCOMING FALL SEASON!*

Ulises Tapia
Executive Chef

INSTRUCTIONS:

Prepare the Base:

In a large saucepan over medium heat, melt 3/4 cup butter. Add flour and cook, stirring continuously, until the raw flour taste disappears and the mixture is golden brown, about 7 minutes. Gradually stir in seafood stock and season with salt and pepper. Simmer for 15 minutes, then remove from heat and set aside.

Make the Shrimp Stock:

In another large saucepan over medium heat, cook shrimp shells and onion in 1/4 cup butter until the onion is translucent. Stir in garlic, paprika, and tomato paste, and cook until the mixture turns brown. Carefully stir in brandy and ignite it. Allow the flames to subside, then let the brandy reduce and thicken. Stir in the reserved seafood stock. Reduce the heat and simmer for 45 minutes. Strain the mixture through a fine mesh strainer or cheesecloth, discarding the solids.

Finish the Bisque:

Return the strained liquid to the saucepan and bring to a simmer. Stir in the cream.

Cook the Shrimp:

Dice the shrimp and cook in a medium skillet over medium heat until opaque.

Combine and Season:

Add the cooked shrimp to the bisque and simmer for an additional 5 minutes. Season with pepper sauce, Worcestershire sauce, and Old Bay seasoning to taste. Stir in sherry just before serving.

Serve and Enjoy!
